We're All About The Beer

OLD SCHOOLHOUSE BREWERY

Beer 101 Beer Club

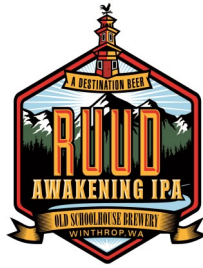

We're all about the beer . . .

Welcome to OSB's Beer 101 Club!

- We will accept only 101 members into our Beer 101 Club.
- We will ship a case (12-22 oz bottles) to your home or office twice a year (spring and fall). You can request the case to be of all one flavor, or we will create a mixed case for you. Beer will be available for pick up at the pub, if you prefer.
- You will receive a 15% discount on your case of beer. You will also receive 15% off additional cases of beer, pints of beer you buy at the pub, and OSB merchandise.
- Members will be invited to an annual OSB dinner/music Beer 101 Club party in the fall.
- The price per shipment will average around \$85 for those in Washington State. If you live in Illinois, California, NY, Michigan, or Ohio, the shipping rate will be a bit higher (we can only ship to these states.). This price includes shipping, taxes, and your discount. We will keep your shipping and credit card information in safe keeping and will charge your card the day we ship your beer.
- You can cancel your membership at any time (but why would you want to???) . . .

We appreciate our friends and family who have helped us in our crazy venture to buy and operate a brewery. We're very proud of our beer and are excited to offer this beer club to you.

Ruud Awakening IPA

Expect your taste buds to be rudely awakened and temporarily disabled by the plethora of hops used in this IPA. The brutally bitter beginning is followed by a citrus aftertaste. $\approx 8\%$ ABV

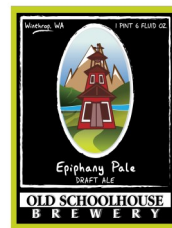

****Award-winning beer****

Hooligan Stout

A creamy, dark, full-bodied American style stout with a robust roasted malt flavor and a smooth, oaty finish. $\approx 7\%$ ABV

****Award-winning beer****

Epiphany Pale

A medium-bodied pale ale with moderate bitterness, slight caramel malt flavor, and modest citrusy hop aroma. This is a good beer to start with when building up the courage for the stronger beers. $\approx 5.5\%$ ABV
****Award-winning beer****

Blonde Ale

Engineered for the domestic beer drinker, this blonde ale has a mild bitterness and soft floral aroma. $\approx 4\%$ ABV

Uncle Big's Brown

A medium to dark brown ale with hints of chocolate and caramel, slight biscuit malt flavors, mildly hopped, and very smooth. $\approx 5\%$ ABV
****Award-winning beer****

We have seasonal beers, such as Rendezvous Porter and New School ESB, and may include some of those flavors in our mixed cases. It all depends on what's available at the time.

NOTE

The Brewer's Reserve series is not included in the Beer 101 Club. However, if we have it and you want it, we will try to include some in your order. Just let us know via email if you are interested.
